Bookings and cancellations

As per our terms and conditions, there are no cancellations for Vacation Care bookings.

It is important that all families are communicating with our service to let us know if your child is going to be absent. This will support other families in need of our care.

Please call our service phone on 1300 200 262 to let us know if your child will be absent or please mark your children absent on the OWNA app.

Medication

If your child has a medical condition that requires medication to be brought to the service and administered during the day, you will need to complete an Administration of Medication form.

The medication must be given to the service in its original packaging, with a prescription label on it that includes the child's name, date of birth, prescribing doctor and dosage. If you know in advance that your child has a medical condition, please let us know and we can email you the required documents.

Please note, if your medication requires half a tablet, please go to the chemist, and get the medication put into blister packs.
